## ESTABLISHMENT OF GERMAN CENTRALIZED GOVERNMENT IS URGED BY BYRNES IN SPEECH

Unprecedented Address Made By Secretary of State At Stuttgart Most Important American Pronouncement Since End of War

UNITED STATES NOT TO SHIRK DUTY OR WITHDRAW

By EDWIN SHANKE  
Stuttgart, Sept. 6.—(P)—Secretary of State James F. Byrnes today rejected the early establishment of a centralized German government, rejecting France's claim to the Rhineland and Ruhr and warning that the United States does not consider Germany's eastern boundary fixed on the Oder.

In an unprecedented speech regarded as the most important American foreign policy pronouncement since the end of the war, Byrnes made a broad plan for eventual unification of the German people under a national council which, he said, should be charged with drafting a federal constitution for a "United States of Germany."

At the same time Byrnes made plain the intention of the United States to continue indefinitely her interest in European affairs and emphasized that "security forces probably will have to remain in Germany for a long period."

"I want no misunderstanding," Byrnes said. "We will not shirk our duty. We are not withdrawing. As long as an occupation force is required in Germany, the army of the United States will be part of that occupation force."

The secretary addressed an audience of German and Allied leaders in this seat of the German provisional government for the American zone. The city was gallantly decorated with flags. For security reasons, the military police detachment was strengthened to four times the normal size.

While emphasizing the determination of the United States to see Germany rise again as a peaceful, centralized nation, Byrnes rejected French claims to the Rhineland and Ruhr and warned Poland and Russia that America does not consider Germany's eastern boundary fixed on the Oder.

Territories now occupied by Poland and Russia were "provisionally assigned" at Potsdam, Byrnes asserted, and the protocol of the Potsdam conference makes clear the heads of government did not agree to support at the peace settlement the cession of any particular area.

In urging the early establishment of a central German government, Byrnes declared that the "four-power Allied control council" so far as many vital questions are concerned, is neither governing Germany nor allowing Germany to govern herself.

The secretary said the American government took the stand that "the German people throughout Germany, under proper safeguards, should now be given the primary responsibility for the running of their own affairs."

He explained that the leaders and millions of the ruthless Nazi dictatorship had to go. Byrnes also reiterated the United States contention that Germany should be administered as an economic unit.

Byrnes emphasized that the United States would stand by her agreements to support Soviet claims to Königsberg in East Prussia.

By G. MILTON KELLY  
Bombay, Sept. 6.—(P)—The government announced today that Bombay's bloody communal disorders, which have killed 203 persons and wounded 618 since Sunday, have abated noticeably, but took special precautions to avert possible new rioting during Muslim prayer services later in the day.

Troops and armed police took up positions to guard the mosques and the routes leading to them and continued the anti-riot patrol which they have carried on almost without rest since the Hindu-Muslim fighting began. This was considered the critical day in the disturbances, one which might lead the teeming city back to normal—or to worse disorders.

Students in Three Schools Had Walk-Outs of One Day  
By the Associated Press  
Students at two of three Pennsylvania schools beset by demonstrators today had one-day walkouts and school authorities refused to allow them back to their schools.

Demonstrations ended at Oak and Beaver Falls high schools, but the third walkout—led by about 300 parents of an involved—ended at a Chester school still was effective.

L. D. Smith, principal at Oak Falls, reported full attendance of 1,150 today, after about half of the student body returned from their classes yesterday protesting a shortened lunch.

## Heirens' Suicide Attempt Fails

A few hours before William Heirens, 17, was to appear in court at Chicago to hear himself sentenced for three slayings, he took advantage of momentary absence of his guards, tied a sheet to a bar near the top of his cell, twisted it around his neck and attempted suicide. Guards cut him down before he was harmed. Warden Frank G. Sain examines the sheet.

## Bloody, Vicious Career Of Heirens Ends With Life Term

Chicago, Sept. 6.—(P)—The bloody and vicious crime career of young William Heirens was ended today as the state prepared to put him in prison to begin serving three consecutive life sentences.

The 17-year-old college student escaped death in the electric chair for his brutal crimes, but the three life sentences for three murders and an assortment of other penalties ranging from one year to life for more than a score of burglaries and assaults indicated he will remain in prison until he is nearly 80 years old.

Heirens, under Illinois laws, can not be freed for at least 61 years, probably 63. His incarceration for at least 61 years is assured, as under the state penal practice, parole is not considered for a life prisoner until a minimum of 20 years has been served.

In his Cook county jail cell, after he was sentenced, Heirens told reporters that "as far as I'm concerned the penalty is okay. I had felt for a long time I was going to get the chair. I didn't lose that conviction until I heard judgment pronounced. Then I was relieved."

The former University of Chicago sophomore, who had expressed no remorse for his crimes, appeared unmoved as he was summoned before Chief Justice Harold G. Ward in criminal court for sentence late yesterday.

Marshall sped to Kuling, where his plane must land on a soggy field, to lay the Communists' position before Chiang and attempt to draw "something definite" from him on the government's attitude toward a nationwide cease-fire agreement.

Both actions followed a half-hour meeting of Stuart and Marshall with Chou, the third American-Communist talk in three days. Chou summed up the American views and submitted the document for approval. Then radioed the paper to Yenan for consideration by the Communists' political bureau.

The document emphasized the need to bring about an agreement on at least the fundamental issue of establishment of an all-party state council.

## Fog Blamed For Crash of Airliner

Elko, Nev., Sept. 6.—(P)—Dense fog is believed to have caused the crash of a Trans-Luxury Airliner which scattered 21 persons dead over 100 yards of a hill near here but spared the life of a two-year-old boy who today cried for his "mommy," one of the victims.

After a preliminary investigation of the disaster, T. R. Mitchell, Civil Aeronautics Board investigator from Oakland, Calif., said informally that fog was to blame for the crash before dawn yesterday.

Four CAA officials continued the probe today.

## BRITAIN TAKES A FIRM STAND OVER TRIESTE

Demands International Status As Free Territory or Will Withdraw Agreement

WARNING BY POLAND

By ROBERT HEWETT  
Pans, Sept. 6.—(P)—Great Britain warned the peace conference today that she would withdraw from the Big Four agreement on division of Venezia Giulia if Trieste is not given a genuine "international" status as a free territory.

Charging that Yugoslavia is claiming "a very special position" in the administration of the disputed Adriatic port, British Delegate Hector McNeill said Britain would "reconsider the whole agreement" if Trieste's independence is impaired.

The British stand on the hottest territorial dispute before the Luxembourg palace conference was made in reply to demands by Slavic powers for Yugoslav domination of Trieste.

Appealing for a "genuine international approach" to solution of the Trieste dispute, McNeill told the Italian Political and territorial Commission that Trieste must be administered under control of the United Nations.

Discussing Yugoslav demands for control of the administrative machinery of the free territory and for a major voice in railway and port facilities, McNeill declared: "If the statute is so weak that the independence of the free territory be impaired, my government reserves the right to review not only the free territory agreement but associated subjects."

He told the conference that internationalization of turbulent Trieste might create "another danger spot in Europe."

Recalling the downfall of the free cities of Danzig and Fiume created after World War One, Polish delegate Winiewicz urged that Trieste be united by "closest possible" ties to Yugoslavia to prevent resurgence of Italian aggression.

Conference delegates, despite their preoccupation with the vital problems of Trieste and Italian reparations, listened intently today to what Secretary of State James F. Byrnes was saying to German people in an unprecedented speech at Stuttgart.

With Soviet Foreign Minister V. M. Molotov back at the conference after flying visits to both Moscow and Berlin, and Byrnes addressing Germans on American views toward the future occupation of Germany, there was a growing feeling in Paris that the big four was rolling up its sleeves in readiness to tackle the problem of what to do about beaten Germany.

## OPA Guards Meat Cache In Philadelphia

Philadelphia, Sept. 6.—(P)—Agents of the Office of Price Administration estimated today that their investigation of meat stocks here would disclose about 500,000 pounds in cold storage.

Already 200,000 pounds in four plants has been uncovered at a time when butchers and housewives were finding difficulty in obtaining any meat.

An OPA spokesman said 60 agents had been assigned to maintain a 24-hour watch in an effort to keep the meat from finding its way into illegal channels when meat ceilings are restored next Monday.

## TWO BURN TO DEATH IN QUAKER CITY FIRE

Philadelphia, Sept. 6.—(P)—Two men were burned to death and nine other persons were injured early today in a fire which engulfed a four-story apartment building, a half block west of Rittenhouse Square, trapping all 19 occupants before it was discovered.

Firemen wearing gas masks found William Stokes, 26, and Charles Krantz, 36, fatally burned in their apartment on the third floor, where firemen believed the fire started.

One man, cornered by flames, leaped from a second floor window and was injured.

## COUNTRY'S BUSIEST HARBOR COMPLETELY PARALYZED BY WALKOUT OF SAILORS' UNION

Action Brings Threat of Spoilage of Thousands of Tons of Perishable Foodstuffs and Indefinite Delay of Relief Shipments

COMMISSION LISTS 344 VESSELS TIED UP IN N. Y.

By the Associated Press  
The greatest maritime strike in history spread through the nation's coastal ports today, freezing the port of New York, the country's busiest harbor, into "complete paralysis," the U. S. Maritime Commission announced.

The commission's statement came about three hours after the striking AFL Seafarers International Union and the Sailors' Union of the Pacific established picket lines along the extensive waterfront.

The commission listed 344 vessels of all nations tied up in New York by the strike. This varied with a union claim that 534 craft of all types were stranded in New York and 2,554 on three coasts.

A commission survey said 705 ships of all flags were immobilized in ports from Portland, Me., to Savannah, Ga. Of these, the commission said, 545 were American, and 157 were of foreign registry.

Spokesmen for the striking AFL Seafarers International Union and New York said 534 were tied up in the sailors' union of the Pacific in the port of New York, 350 in other Atlantic coast ports, 450 in gulf ports and 1,200 in west coast ports.

The figures were announced soon after seamen had flung picket lines along the New York shore front—lines which other AFL and rival CIO unions have pledged to respect.

In Philadelphia, James Truesdale, port agent for the SIU, said "nothing is being worked" after pickets appeared at the piers. As in New York only tankers, which were exempted, were moving.

The strike was called "100 per cent effective in New England" by John Mogan, port agent for the SIU in Boston.

Shipping men in Norfolk called the tieup the worst ever experienced in the extensive Hampton Roads harbor.

In Jersey City, two Russian ships could not be loaded because of sympathy action by longshoremen.

An estimated 90,000 sailors packed their gear and walked off ships yesterday to protest a Wage Stabilization Board order denying them a full wage increase won in recent contract negotiations.

The action brought threats of spoilage of thousands of tons of perishable foodstuffs, indefinite delay of relief shipments to the world's needy and a serious blow to the nation's industry.

The action was followed by an appeal by the Maritime Commission to participants in the strike to keep refrigerating machinery aboard ships in operation "to prevent spoilage."

## Republicans Will Adopt Platform

Harrisburg, Sept. 6.—(P)—State Republican leaders will assemble in Pittsburgh tomorrow to adopt the party's campaign platform for the 1946 general election.

Drafted by a committee headed by Fred C. Peters, of Montgomery, with the active aid of the GOP state-wide candidates, the policy-making document will be submitted to a public meeting in the William Penn Hotel, Pittsburgh.

Although details of the planks embodied on the platform were withheld pending the committee's action, party leaders indicated the pronouncement of policy would follow closely the views of Governor Martin, Attorney General James H. Duff and other state-wide candidates on national and state issues.

## Methodist Conference Favors Pay Increase For Ministers

Meadville, Sept. 6.—(P)—Erie Methodist Conference had before it today a committee report recommending an increase of \$200 per year in the base salaries of its clergymen.

The increase would put the minimum cash salaries of ministers at \$1,900 and of supply pastors at \$1,650, with a possible addition of \$50 for educational requirements.

Another important item of business to come before the conference's eighth annual meeting today was a committee report on proposed improvements to cost several hundred thousand dollars at the Ida M. Cribbs Home for the Aged at Conneautville.

Committee members said the alterations and enlargement are necessary to correct overcrowded conditions at the home.

The Rev. Frederick W. Hunt, an army chaplain during the war, was named executive secretary of the conference education board to succeed the Rev. Ralph E. Tidmarsh, of Meadville, who resigned after carrying on the duties for five years.

Mr. Tidmarsh with a pastor's communion set yesterday in recognition of his services.

A morning watch was held at Brooks Hall, Allegheny College, at 6:45 a. m. today, with the Rev. H. E. Heltzer as leader.

The annual meeting of the Ida M. Cribbs Home board will be held tomorrow. Sunday's concluding program of the ordination service and reading of appointments by the bishop will be opened with a love feast at Stone Methodist church at 9 a. m.

## Little Progress In Pittsburgh Dispute

Pittsburgh, Sept. 6.—(P)—Negotiators and mediators gather today for a new round of conferences on the Pittsburgh area's threatened disastrous power strike in an atmosphere reportedly steeped in pessimism.

Last night's session ended after midnight with George L. Mueller, president of the independent union of Duquesne Light Co. employees, declaring: "Everything is just as before. The company wants master arbitration—that is, arbitration of all matters—but they say a master contract for all affiliated companies, a union demand—would be illegal. That doesn't make sense."

Mayor David L. Lawrence, acting as mediator in the dispute, said: "They (the union and company) are not any closer together than when they started meeting in joint conferences yesterday afternoon."

Yesterday afternoon the union and company representatives were together for the first time since Friday and Mayor Lawrence was in an optimistic mood.

## ERIE HOUSING PROJECT

Erie, Sept. 6.—(P)—Housing projects costing about \$3,353,000 and designed to provide homes for 460 veterans' families in the Glenside and Lakeside sections of Erie, have been started by J. Dwight Baird, building sponsor.

## STRIKE AT ERIE

Erie, Sept. 6.—(P)—Truck drivers and service employees of the Erie Eastern Store have struck in support of demands for a \$4 a week wage increase.

### Why your Warren Operator

# Cannot always answer your call promptly

NORMALLY, when you pick up your telephone to make a call, the operator answers as soon as you lift the receiver. That's the kind of service you expect : : : and the kind we like to give.

But occasionally, at peak hours, there may be a few seconds' delay.

That's because we've loaded our switchboard facilities to the hilt, in order to bring service sooner to you and to as many as possible of your friends and neighbors who've been waiting.

Sometimes we just can't handle the traffic without a slight delay : : : particularly at the "peak hours" late in the morning, and early in the evening.

But if you'll make your calls at other times, the operator will usually be ready just as soon as you are.

### Statement On Local Labor Dispute Made

Grace Coyle, organizer of Local 633, United Electrical, Radio & Machine Workers of America, submits the following in regard to the labor dispute involving two local plants:

Employees of the Solar and Sunray Electric Companies, both owned by Stuart Myers of Warren, announced that they would continue picketing both plants until the management ended their lockout and permitted the employees to return to work. In addition to picketing the plants the employees, members of Local 633, UEM-CIO, have demanded a flat wage increase of 8 1/2 cents-per-hour, in order to bring the wage increase in these plants up to the national pattern of 18 1/2 cents.

On Wednesday, August 28th, Mr. Myers informed his employees in the Solar plant that they would either have to meet his production standards or leave the plant, whereupon they left. Similarly, the Sunray Electric employees were informed by the company's president, Mr. Dunham, and the superintendent, Mr. Dashem, that they also would have to meet the production quotas or go home; they also went home. The management of both plants has demanded that the employees agree to meet these quotas before they can return to work. Since such action, in the eyes of the em-

### Local Theatre Employee Is Transferred

Charles A. Passinger who has been assistant manager of Warner Brothers' theatres in Warren since his return to this city from Titusville last January where he was managing a playhouse, has been promoted to the management of the Virginia theatre in Fairmount, W. Va. He left for that place this morning and assumes his new duties at once.

Mr. Passinger has been associated with Warner Bros. for ten years, starting in the role of usher and receiving well-earned advances until his latest assignment which places him in charge of one of the largest and best theatres in the West Virginia area.

Mr. Passinger was one of the hundreds of Warner Bros. employees who served in World War II. After his discharge last October he returned to this city for a brief stay, later being sent to Titusville. January 28th he was returned to Warren to become assistant manager of both the Library and Columbia.

He leaves Warren with the best wishes of a host of friends and playgoers.

### AMUSEMENTS

WITHOUT RESERVATIONS AT LIBRARY THEATRE SUN. MON. TUEES.

A hectic romance is often snowed under by a series of hilarious lively new comedy, "Without Reservations" in Mervyn LeRoy's production. Claudette Colbert and John Wayne have the starring roles, with Don DeFore heading the supporting cast.

Miss Colbert plays a novelist who is Hollywood-bound to work on the screen version of her best-selling novel. On the train, she meets Wayne and DeFore, two Marine fliers who quickly get the situation well in hand. Wayne interests Miss Colbert to such an extent that she wires her Hollywood producer that she has found the ideal hero for picture. Because her reservations are on another train, she stows away aboard Wayne's train, without tickets or reservations. This leads to hilarious consequences, and after a riotous night in the club-car they get put off the train and have to continue their journey in a balky second-hand car.

Misadventures pile up with dizzying rapidity. Miss Colbert lands in jail in New Mexico, and romance has heavy sidekick when they stay the night with a hospitable family, and the daughter makes no secret of her interest in Wayne.

"Without Reservations" moves fast and is laugh-packed right up to the fadeout.

## The Farmer Needs Your Help

## G.L.F. Patrons Hear Address At Sp. Creek

Spring Creek, Sept. 6.—The un-  
sung hero in the successful battle  
against famine both at home and  
abroad has been the American  
farmer, local patron members of  
the Cooperative Grange League  
Federation Exchange were told  
last night at their annual meet-  
ing in the Community Hall at  
Spring Creek.

The farmer who produces the  
food, G.L.F. District Manager  
Ferry McCullough reported, works  
an average of about 65 hours a  
week for a labor income of only  
50 cents an hour. He said that to-  
day in this country the average  
consumer pays only 22 per cent  
of his income for food, compared  
with some foreign countries where  
the average runs higher than 50  
per cent.

Mr. McCullough pointed out  
that the farmer is the local com-  
munity's best consumer and that  
75 per cent of his total gross in-  
come for farm production supplies  
of all kinds.

Those at the meeting saw a  
slide film showing what farmers  
have built up for themselves in  
the G.L.F. over the past 26 years,  
including facilities they have set  
up for the purchase of feed, seed  
and farm supplies and for the  
marketing of their products.

A printed program distributed  
at the meeting cited the fact that  
farmers are "the driver's seat"  
in G.L.F., and that they remain  
there by election of patrons com-  
mittees to represent them in G.  
L.F. affairs.

"G.L.F. directors are farmers,  
too, elected by representatives  
from each farming community,"  
the program said. "They name the  
general manager and hold him  
responsible for operations, set  
policies to guide management and  
control expenses by an annual  
budget. Through this system of  
committee representation and  
director control, farmers keep a  
firm grip on the wheel of G.L.F."

WHAT MAKES LUMBER SCARCE

Did you ever stop to reason out why lumber is so scarce?

The U. S. Department of Agriculture, through its Forest Service, has recently published a little folder which tells some of the facts about the shortage of lumber. It is called, "Why Is Lumber Scarce?"

Apparently it isn't all black market or hoarding. These, along with a shortage of experienced woods labor and equipment, are being felt locally and temporarily. But back of these, there is an actual scarcity, and it may remain with us for some years, according to this government folder.

The three basic facts it gives are these:

1. During the war we reduced our stockpile or reserve from about 17 billion board feet to a little over 4 billion board feet.
2. Now there is an excessive demand for lumber to meet peacetime requirements and we can't cut enough. Lumber is required for almost everything—40 billion board feet a year—and we would do well if we could produce as much as 33 billion feet a year. But the high demand and inadequate production may continue for many years after we get more labor and better equipment.
3. Our forests are not as productive as they used to be. We have reduced our sawtimber 40% in the last 30 years. Our good sawtimber is less plentiful and it is harder to get out.

The Forest Service says there is some waste of timber which could be avoided by better cutting, marketing, and milling practices. And it says we can increase production of sawtimber trees by prohibiting over-cutting and by other management improvements.

A copy of the booklet "Why Is Lumber Scarce?" can be had upon request.

TIMELY WARNING

Nobody who knows anything about atom bombs will quarrel with Bernard Baruch's warning that the only complete defense against them is to avoid war.

Until that can be done, however, it would be inexcusable if this peace-loving nation does not go all out to assure that we maintain, and if possible increase, the atomic ascendancy that we now possess.

Even the Huns and the Japs did not dare use poison gas in the late war because they knew we were in position to destroy them with their own foul weapon, if they did. The surest way to see that no nation uses an atomic bomb, in case of future war, is to be in position to atomize such a nation immediately and completely.

CONSIDER YOUR WIFE

Executives interviewed in a Fortune Magazine poll voted almost four to one that men have more ability to handle people than women. By a majority of more than nine to one, the bosses said that men have greater ability to make decisions. With both conclusions we beg to differ strongly.

As we see it, women make more decisions and make them more firmly than men do. Thereupon they demonstrate their superior talent at influencing people by saying nothing until they have dumped men into thinking that it was they who made the decisions and that the little woman, floundering in indecision, was persuaded by superior logic and firmness.

Do you doubt it? Try keeping an objective eye upon your wife for a while, in household matters—or your secretary in office routine.

The speech of Secretary of State Byrnes and other developments in Germany indicate that the British and Americans have accepted the challenge of the Russian refusal to co-operate either politically or economically, and that there will now be a relatively open contest for the support of the Germans themselves. Economic pressure and Russia's efforts to spread into the American zone the political "unity" which she has forced in eastern Germany, has necessitated counter-measures.

That Chicago youth who confessed to the killing of two women and butchering of an equally innocent little girl will have a long time to meditate over his career of crime.

The vacation period is over. Good time to resume your church attendance Sunday.

On your weekend agenda don't forget the Youngsville Community Fair

**Health Board Busy With Its Many Duties**

Warren's Board of Health at its regular monthly meeting brought out the fact that old Sir Stork was giving the old boy with the scythe a terrific beating in Warren. Last month there were 41 births in the city with 9 male and 11 female babies born to residents and 21 births of non-residents. In the same period in the borough 19 persons passed away, 12 from the borough and 7 from non-residents.

The health officer was busy and during the month made 202 visits incidental to his duties. During the month there were 38 cases of communicable diseases as follows: measles 30, chicken pox 4, German measles 1, whooping cough 3.

Inspections occupied much time of the health officer and during the month 56 dairy inspections were made and 91 applications for milk permits were granted, while 35 eating houses were inspected.

**YERDON FUNERAL**  
Funeral services were held Wednesday afternoon for John L. Yerdon, aged 77, who died Sept. 2 at his home, 264 East Main street. The services were held at 1:30 o'clock at the home with the Rev. Paul G. Miller, pastor of the East End Presbyterian church, officiating.

Committal services were conducted under the auspices of Bradford Lodge, No. 749, Free and Accepted Masons. Burial was made in the family plot in McKean Memorial Park.

Honorary bearers were C. H. Messerly, Willis S. Sprout, E. J. Jones, J. C. Moffat, John Boylan, members of Rotary Club, Harry Hyde of Derrick City, and Harry Logan and Charles A. Miller of Warren.

Active bearers were Max Moore, Ralph Moore, Donald Moore, Howard Moore, Earl Dunn, LeRoy Dunn, Albert Johnson and Charles Conway, all nephews of Mr. Yerdon.

Attending the services from out of town were Ralph P. Yerdon of Dunkirk, N. Y., Mr. and Mrs. Herbert Yerdon and Miss Florence E. Yerdon, Jamestown, Mrs. Robert Owens, Mrs. Arthur Wright, Earl Major of Butler, Miss Inez M. Hyatt, Erie, Mrs. Bertha Helmer, Port Allegany, Mrs. Elsie Cubertson, Harry Logan, Harry Schmidt, and C. A. Miller, all of Warren—Bradford Era.

**CELESTE A. LINCOLN**  
Corydon, Sept. 7.—Mrs. Celeste A. Lincoln, 76, of 52 Brown Place, Squirrel Hill, Pittsburgh, who had been a patient in Fairview Hospital since June 29, died there at 2:40 p. m. Monday. Mrs. Lincoln was born November 30, 1869, Laureton, and had resided in Pittsburgh almost her entire life. She was the widow of Louis P. Lincoln. She was a member of the First Presbyterian church of Homestead, and also of the Daughters of the American Revolution.

She is survived by her daughter, Mrs. E. L. VanSickle; one son, Richard V. Lincoln, of Zanesville, Ohio; four grandchildren, Celeste VanSickle, Lincoln, VanSickle, Daniel VanSickle, all of Corydon, and Isabel Lincoln, of Zanesville, O.; and one brother and one sister.

The body was removed to the Koch-Chatley Memorial Chapel, Bradford, and later to her home in Pittsburgh where services in her memory were held.

**FLORA RUSSELL BUSH**  
Mr. and Mrs. A. H. Russell have returned from Hanoverton, Ohio, where they were called by the death on funeral of the former's sister, Mrs. Flora Russell Bush, formerly of Warren, and a member of Trinity Memorial church. Rites in her memory were conducted on August 29 at Hanoverton, where she had resided for many years. Besides her brother in Warren, she leaves a sister, Mrs. Adeline Russell Bolwell, of Washington, D. C.

**Planes Made Landings On All Four Trips**

Planes of the All American Aviation Company were forced to make landings in Warren on all four trips through the city yesterday. This was due to the large amount of mail. The Sylvania Electric Products, Inc. and the Thomas Flexible Coupling Company had big shipments and in addition to all the air express the planes could carry nine cartons had to sent to Erie where they were placed on larger commercial planes. Development of air express in this city has been great and now an average of about three tons per month is being carried out of the city. In fact the increase shows that for the month of August 66% more air express was carried than during the similar month last year.

Regular express business is also rising steadily and August of this year showed 54.2 increase over the same period of last year.

Announcement that passenger planes would be operated through Warren before next April 1st, has roused much interest. The passenger planes have been placed on order by the All American Company and they will ply between Pittsburgh and Buffalo affording connections at both cities with other lines.

## N. W. Division Youngsville Community Fair Sportsmen To Meet Sunday

Sunday at the Kalbfus Game Club, near Clarendon, a meeting of the Northwestern Division of Sportsmen will meet. The affair will draw members from nine counties in this end of the state and quite a large crowd is anticipated. At this meeting which will be the annual one officers will be elected and other important business transacted.

The men will gather early enough so that the work of the Game Commission on the state game lands can be inspected. Much of this work is new and several thousands of dollars have been spent in the erection of shelter for game and the planting of foods of various kinds. The development is a new idea in many ways and is exciting general interest over this end of the state.

In the afternoon and evening meetings will be held. Dinner will be served in the evening and local sportsmen are invited to be present and join in the inspection of work done and also in the meetings.

### Social Events

**CHILD STUDY GROUP**  
The Pre-school Child Study Club will start the fall season on Monday, with a meeting at 8:30 o'clock at the home of Mrs. F. J. McCanna, 514 West Fifth avenue.

**ELVIDGE CLASS**  
Elvidge Class members of First Presbyterian church will hold a tureen dinner-meeting at 8:15 p. m. Monday at the home of Miss Gertrude Slater, 503 Market street. Mrs. M. R. Overturf is chairman of the supper committee assisted by Mrs. W. G. Gibson. Each one attending is asked to bring her own table service, a tureen, bread, butter and sugar. A large turnout is hoped for at this first meeting to follow the summer vacation period.

**BIRTHDAY PARTY FOR JOSEPH GLEESSE**  
Joseph Gleesse, 110 North South street, was honored guest on Wednesday evening, when about 40 neighbors gathered to help him celebrate his 73rd birthday anniversary. He was presented with a purse of silver and many other attractive remembrances of the occasion.

Entertainment was provided by Tom Spattfor and Frank Bonavita, with mandolin and guitar; Mary Rowley and Mabel Crispenshaw. Refreshments were served to conclude a very pleasant evening.

Youngsville, Sept. 5.—Youngsville community fair is showing excellent exhibits this week and a fine program of entertainment. Thursday's attendance was good. The fact that this is the 150th anniversary of the town is proclaimed in a banner stretched across the entrance to the fair ground on Island Park.

Judges were busy Thursday morning putting blue, red, yellow and white ribbons about. The Grange exhibits were all good, with first place going to Brokenstraw Grange of Youngsville, second to Warren Grange and third to Diamond Grange of Tiona.

The garden clubs of the county responded very well. First place was taken by Brokenstraw Garden Club of Youngsville with a wedding scene in which dolls appropriately dressed formed the wedding party in a beautiful floral setting. Clarendon Garden Club came second with a very fine arrangement of flowers. Tidouthe also had a great many flowers and was given third place, with Sugar Grove fourth, which also had an unusual arrangement of fruit and vegetables with wheelbarrow of garden products as a center. In fact, all the exhibits were good and it must have been hard for the judges to decide just how to put the ribbons.

The Boy Scouts deserve credit for their scene showing Youngsville from 1796 to 1946. The first scene showed the Brokenstraw creek flowing through forest without a single house in sight. One of the Scout leaders said: "It was just before the boat of Matthew Young, founder of Youngsville, had arrived. Pictures, newspapers and various articles described the progress of the town through the years."

In the rural educational section, the blue ribbon was given to Irvine. In the school floral exhibits, light school took first place with a cucumber boat manned by a carrot-onion crew. The grade school exhibit was mixed vegetables and flowers.

The dog show, while not large, was good. With William Barr, of Warren, as judge, Donald Warner as chairman and J. G. Clark as secretary and announced, the Great Dane owned by Mrs. R. E. Ludwig, of Youngsville, was adjudged the "best in the show" (male); Boston Bull owned by George Walter, Youngsville, second (male); Doberman Pinscher owned by Frank Nedericks, Warren, third (female); collie owned by Patsy Chester, first (female); Boston Toy owned by Mrs. R. L. Mead, Youngsville, first (female); English Bull owned by Andy Hillard, Tiona, second (female); Boston Bull owned by Dorothy Landis, Warren, first (female); Boston Bull owned by Joyce Gilson, Warren, second (female); Daschund owned by Walter Sanden, Grand Valley, best of Daschund (female); Daschund owned by Walter Sanden, first (male); Daschund owned by Pete Mariner, Youngsville, second (male); Cocker owned by Nancy Valentine, Warren, first (female); Beagle owned by Thelma Crandall, Youngsville, first (male). Today the horse pulling events and local horse show will be held, while on Saturday a fine array of horses will be shown in the afternoon and evening exhibition. The Youngsville band is doing well in playing the evening concerts.

## Club "17" House Party

Everything is in readiness for PAK's house party at Camp Cornplanter tomorrow afternoon, when 41 high school seniors and nine PAK alumni, along with six PAK directors, six parents and two guests, will be registered. This is the first activity of Club "17", PAK's group for seniors, and promises to start things off in a big way for the year ahead. Registration sheets show the following active members signed up for the event: Mary Wendelboe, Bill Lord, Dick Fossburg, Dave Clark, B. J. Kolpein, Lorna Mae Hullings, Jack Warner, Bonnie Bauer, Joyce Callahan, Dick Kerr, Jack Kyler, Barb Cochran, Al Marrer, Wilmer Latshaw, Janey Tritt, Mary Ruhlman, JoAnn Phillips, Jean Way, Marty Winars, Joan Cameron, Betty Lauffenberger, Larry Korb, Nancy Abern, Sophia Spiridon, Jane Helman, Fred Printz, Yvonne Miller, Fred Kieshauser, Marion Endress, Charles Sires, Teresa Fino, Carol Somers, Dick Swick, Tom Hampson, Alan Schuler, Betsy Conway, Dora Massner, Rita Scrivano, Bob McDannel, Lois Callard and Mary Alice Fisher. Alumni registered for the weekend include Helen Claire Hullings, Nan Schwartz and Janet Cannon, with Jay White, Beth Smith, Don White, Bill Taylor, Pat Wade and Bill Fuellhart registered for Sunday dinner. PAK directors in charge will include Mr. and Mrs. Ralph Sires, Mr. and Mrs. Fred Plummer and Mr. and Mrs. O. C. Tritt. Parents include Mr. and Mrs. John Swick, Mr. and Mrs. Basil White and Mr. and Mrs. Perry McDannel. Special guests of the house party will be Rager Brandt, former PAK director, who arrived last night from Boston, and Dr. John Lasher, of Corry, who has assisted PAK on several occasions.

The house party program has been carefully worked out during the past week and, while there will be a great deal of fun and free time provided, there are some serious periods, looking ahead to various activities scheduled for this winter.

I CHOSE THEM"

Yes, all over America it's happening... more and more motorists are switching to Riversides! In fact, 42 million Riversides have been chosen, in preference to tires that come on cars... in preference to all other tires! This couldn't happen so often without some mighty good reasons!

### NOW STRONGER THAN PRE-WAR!

Today, Riversides are even stronger than our pre-war tires! Sizes 6.50 and larger are now made with the new, stronger RAYON cord! Smaller sizes are made with finest cotton cord!

Ask about Wards "Miracle" tubes! Not a penny more than ordinary tubes.

We may not have your size on hand now, but come in and we will be glad to give you information on when you may expect your tires.

## All In Readiness For First Community Youth Party of the New Fall Season

Warren's young people in their teens and twenties are going to shake off the doldrums of the first week of school tomorrow evening with a Big Red Apple party in Beaty school, featuring an outstanding floor show, and the music of Dale Soderberg's orchestra, which will include a specialty in its evening's performance.

There will be no admission charge to this party, but those attending will be given an opportunity to give a nickel, dime or whatever they think is appropriate, to help cover the costs of the semi-monthly affairs. Ellie Peters will have a handy box ready, and the Big Red Apple givers can toss their coins in any time during the party.

The party will start at 8:15 and will last for three hours. As usual there will be game rooms, in addition to the dancing and floor show. Bill Schellhammer is in charge of the games.

There will be a check room, under the direction of Sylvia Kyler, and refreshments will be made available by Verna Knudsen and her committee. Reservations may be made through Bud Marver. Chuck Cochener was his set-up committee on hand tomorrow morning at ten o'clock. The floor show also is asked to be in Beaty school at that hour for a short work-out, and Patti Wade wants her decorating committee on hand in the morning.

The show is well balanced for this party. Mary Evelyn Hill and Wilmer Latah, the co-chairmen, have arranged for a last appearance of the Four Keys, composed of David Leidig, Bill Blair, Ed Wood, and Harrison Wood.

Joan McDonald also will be a vocalist in the show, and there will be a tap acrobatic number by Leann Albright and Carol Briggs. Mona Jean Brooks will go a Spanish castanet dance, and Marsha Edwards will provide a special act.

Lights for the dance and show will again be handled by Mike D'Angelo, and the all-important job of putting the building in pre-party shape before the doors close for the night will be the responsibility of Louis Lowe and his committee.

This will give the young people an opportunity to show their appreciation for the parties which are sponsored by the Community Council PTA, and for which a charge ever has been made. The parties are planned by the Committee on Community Recreation which is composed mostly of the young people themselves, but breakage and other expenses are borne by the PTA.

**OPENS NEW SHOP**  
Mrs. Claude Barlow is announcing the opening of a new children's ready-to-wear shop in her home, 9 Kenmore street, with a great many attractive articles for the younger members of the family.

**NEW PANEL TRUCK**  
Flowerland Greenhouse at North Warren is the proud possessor of a new half-ton panel Chevrolet. Mr. Kittner, of the Paint Shop, is decorating the new vehicle, a box of roses on the truck to carry "Flowerland" on its top.

**ROTARY SPEAKER**  
J. Albert Loran, representing Sylvania Electric Products, will speak on "Plastics" for the Monday luncheon-meeting of Rotary Club, scheduled at 12:15 p. m. at the YWCA activities building.

**BOARD MEETING**  
The monthly meeting of the Children's Aid Society board of directors will be held in the agency's office at ten o'clock Tuesday morning.

**ACCEPT NO SHIPMENTS**  
Railroads are not accepting shipments to New York City due to the strike of truck drivers there. The embargo is general. Express business continues. Coal, dairy and food products with fuel oil are exceptions to the embargo as they are being handled.

**SCOUTS TO PICNIC**  
Boy Scout Troop 5, of Pleasant township, with families, troop committee members and their families, will hold a basket picnic on Saturday at Schwab's camp, serving to be at 5:30 o'clock. All are cordially invited to come early in the afternoon to participate in games and a program that will be provided.

**HALF-PRICE TAGS**  
The Warren County Motor Club calls attention of its members and other motorists to the fact that license plates for 1946 will be available for half-fares on and after October 1st. The club reminds, also that now is the time to report changes of address, so that license applications may be sent properly and plates delivered later.

**TRAPPERS' MEETING**  
Local Branch No. 1, of the Pennsylvania State Trappers' Association, will hold its monthly meeting at 8 p. m. Wednesday, September 11, in the Legion Home at Conneaut Lake. There will be an interesting display of pelts from fur-bearing animals and a line-up of trappers' supplies. Everyone interested in trapping or fur resources is welcome.

**CONDITION SERIOUS**  
Reports from Titusville relative to the condition of Charles McCawley, of that place, who was assaulted and robbed by two men, is that he is a badly injured man. Reports were that he had passed away. McCawley was beaten by Joseph Stuve and Clinton Carpenter and robbed of \$20. He is in the Titusville hospital and his assailants have been arrested. McCawley at one time was employed at the National Forge and Ordnance Company, of Irvine.

**HAD TWO RUNS**  
Firemen yesterday had two fire alarms, neither of which proved costly as by quick runs the fires were stopped before much harm was done. One sent the trucks to Swiss street, where a fire under a back porch on a home was burning. It was soon subdued. Last night a run was made to the Percy Gilson home on Pioneer street. A mixer on the furnace had gone awry and the gas was blazing high. A door had to be opened for the firemen to enter and they shut off the gas.

**NEW SCHEDULE OUT**  
O. J. Groves, superintendent of mails has announced the new fall plane schedule in the air mail pickup service. The planes north-bound will leave Warren at 9:18 a. m. and 1:25 p. m. and south-bound will leave Warren at 9:40 a. m. and 3:07 p. m. Three trips are five minutes later than at present while the afternoon trip to Pittsburgh is two hours earlier. The earlier leaving time of this trip is due to shorter days as far as daylight is concerned. All mail schedules are on eastern standard time.

# DRAGONS JOURNEY TO KANE FOR SATURDAY AFTERNOON TILT

## WARREN HIGH STARTS GRID SEASON WITH WOLVES; MEETS EAGLES IN FIRST HOME GAME

The Warren High football team, after two weeks of tough drilling, seemed ready to meet the Kane Wolves Saturday afternoon at 2:30. Considerable trouble was run into as to the exact time of the game but late last night a card was received from the Kane coach stating that game time would be 2:30 and that the Warren players should wear their white jerseys as the Kane boys were planning to wear red. It is now a FIAA ruling that the home team should write to the visitors two weeks before game time and state the color of jerseys to wear. Where this is not done and both teams happen to have on the same color jerseys, it is up to the home team to change.

The Kane team is very light, in fact it is stated in the Kane Republican that they will have the smallest team in years, which is quite small according to the size of the regular Wolves' team. Only 32 Kane High football players are on the books of Head Coach Paul Montgomery's 1946 squad, and according to all indications, the newcomers who made their first appearance Wednesday may bolster the team a lot but they cannot be worked into top shape for another week. These boys signed for football when a threat was made that football would be discontinued next year if a squad did not turn out for this year's team.

Although the number of grid-ironers seems small it is now at its normal quota, comparable to the squads in the past few years.

Coaches Montgomery and Gentelman state there are 8 backfield aspirants who may see action this season and 15 linemen. As it looks now, the starting backfield Saturday will contain Frankie Colella, Chuck Daly, John Forbes and George Novosel. Novosel and Colella have seen considerable service for the Wolves and are tough apples. The other two must be rated as unknown quantities at the present time. Reserves include Jim McDade, Bob Udovich, Ed Shatto and Howard Sanford.

At ends the starters definitely will be LeRoy Magnuson and Carl Gustafson, both tall and experienced wingmen. Vincent Parker is another possibility at end and also at tackle.

Starting tackles will be Jim Vail and Corky Olson, about the heaviest men on the squad and also with some experience.

Guards will be picked from among Bob Kraft, Frank Nicolazzo, Art Woodin and Bill Gilotti while Don Gatewood will be the likely starter at center.

It is said that the local squad has received 24 new pairs of football pants which will be seen for the first time Saturday if the weather is not too bad. The grid-trousers are of a sturdy material and are worth their weight in gold according to the price paid for equipment now and the trouble that it takes to locate said material.

Going into action along with the pants will be Dave Lane and Sig Decker at the end posts. Both boys proved their worth in the exhibition game held on Labor Day and will probably be coach Leidl's choices for the ends. Chuck

Sherman and Elmer Mellander will probably be at the tackle posts in the starting lineup. Sherman being a big husky boy, well able to fill the tackle hole and Mellander a tall lanky sprinter who is known for his vicious tackles as well as his speed.

In the guard positions "Diz" Schmiedel and Bob Amacher are the favorites, both well able to hold their positions down to the "Rudy" Hale, tall, rugged Glade Run boy will probably be in the center spot.

Duckett will be the starter in the quarter back position. Don is a dangerous man on offense as well as on the defense. Dave Lopez, a player who will be watched because of his running exhibitions in last year's games will be in the right half position after being laid up with an ankle injury which kept him out of the Inter Squad games. Dave is expected to go far this season, toward the goal, no matter what goal or what opposition he faces. Frankie Shanshala, our quiet left halfback, can be mighty slippery when he is off through tackle or around end, and has plenty of speed to go with his elusiveness. Ed Leonard will hold up the full-back spot for the locals and will probably take most of the line crashing duties. Ed has both the build and the power to bully his way through tight spots.

Monday afternoon the Dragons will meet Youngville at Russell Field for the first home game of the season. The Eagles have a large number of returning lettermen this year and think it their time to win their second game from the Dragons in Coach Leidl's lengthy career here. The game will start at 4:00 with Y. Johnson, P. Johnson, and Hardenberg officiating.

## PONY League Champs Drop To Seconds

Buffalo, N. Y., Sept. 6—(P)—Jamestown and Batavia both lost an opening round of the best-of-seven semi-finals last night.

Fourth-place Bradford defeated Jamestown, 9-4, while the third-place Olean Oilers scored a 10-6 victory over the Clippers.

William Koszarek, Bradford hurler scored his 19th win in 24 starts.

Fred Postolose opened the Olean-Batavia encounter with a home run, and Dick Kokos honored for Batavia in the eighth inning. The Olean piled up four runs in the fifth inning, two on an error and two on a double by Bill Luhrs, after which the Oilers were never headed.

Games tonight: Jamestown at Bradford; Olean at Batavia.

**ROWE HURT** 6—(P)—Philadelphia, Sept. 6—(P)—Lynnwood (Schoolboy) Rowe who pitched 11 wins for the Phils against four losses to date, will finish out the season with the Phillies as a pinch hitter.

General Manager Herb Pennock said yesterday that by using him exclusively as a pinch hitter, Rowe would not aggravate a torn leg muscle he sustained while trying to field a bunt Aug. 4.

There are approximately 11,900,000 orphans and half-orphans in Europe today.

## RED JACKETS SCRIMMAGE SUNDAY AFT.

The Warren Red Jackets met last night on Beatty Field for a practice session in preparation for the scrimmage which will be held Sunday afternoon at 2:00. Harry Rosequist took one gang last night and ran through some plays while Ken Wisner took charge of a second group. The play practice was to recall the plays in the minds of the former Jackets and to imbue them in the new players.

Although the scrimmage will be held in the playground section of Beatty Field where the grass is longer and softer, the scrimmage will do doubt be a bloody one if the boys are allowed to cut loose, for all of them will be hitting hard to assure themselves a berth on the squad. A total of 36 men have signed up and quite a few will have to be cut to get the team down to the right size.

It has been arranged by the coaches for the team to dress at the Marconi Social Club and all the players are asked to be there at 12:30 Sunday afternoon so that they will have plenty of time to take the field by 2:00.

Only sixteen men will dress for the scrimmage. These men will be hand-picked by the coaches as to their regularness in coming to practice and their ability as proven on the field. The last six uniforms will be alternated among the rest of the players so that all may prove their worth. It must be understood, however, that the first sixteen boys have not clinched their berth, so everybody has an equal chance if they get in there and work for a spot by being able to take it and dish it out in the scrimmage.

The two coaches will probably work together on the first few scrimmages until they have a pretty good idea who will make the first team, and then split up and each work with a squad for the sake of more spirited scrimmages and hotter competition.

## City League Crucial Game Played Tonight

The third and crucial game for the City League championship will be played tonight at the West Side at 6:00 sharp in the best-out-of-five city softball series. The Marconi Club with its two wins against the Sons of Italy's none will be striving to their utmost to win the third game and clinch the championship and get the Darling Jewelry trophy.

The Darling Jewelry Company has been long active in boosting young people doings in Warren in the form of the Darling Jewelry Dance for high school seniors and gifts to the graduation class and now they are offering a beautiful softball trophy to the winner of the City Softball League with no if's or and's connected.

Nick Pirillo's Marconi lads now hold a slight edge over the Sons, with four wins over them against two losses. The Sons have an excellent chance though, and they will fight to the last ditch for the championship for the honors.

**Probable lineups:**  
Sons of Italy—F. Russo, 3b; Check, ss; A. Font, sc; Vesio, rf; B. Salerno, cf; Gheres, 2b; R. Ritchie, c; F. Ritchie, 1b; Zingone, lf; N. Russo, p.

## BOBBY FELLER LOSES SIX OUT OF LAST EIGHT STARTS; MAY BEAT STRIKEOUT RECORD YET

By JOE REICHLER

Associated Press Sports Writer  
Time is rapidly running out on Bobby Feller's hopes of setting a new Major League strikeout record as the Cleveland Indians' great pitcher wallows in the worst slump of his baseball career.

The speedy righthander, who has figured a good bet to become the first pitcher since Dizzy Dean of 12 years ago to notch 30 victories when he registered his 20th win last July 31, has hit an amazing decline since then, losing six of his next eight starts, including his last three.

Feller's sudden reversal of form also has practically ruined his chance of overtaking Rube Waddell's 42-year-old listed record of 343 strikeouts.

In his last eight starts, Feller has whiffed only 40 batters to increase his season's total to 293. He is expected to make five more starts which means he must average 10 strikeouts per game to equal Waddell's mark.

Bullet Bob suffered his most humiliating defeat yesterday in Detroit at the hands of the Tigers who clubbed him for eight runs in the fourth inning, the most runs ever scored against Feller in

one frame since he joined the majors in 1936. The previous high was five by the New York Yankees.

In all Feller was tagged for nine runs and 11 hits in the three and one third innings he worked with the Tigers beating him for the third straight time, 10-0. Fred Hutchinson hurled the shutout for the Tigers.

The heated National League pennant race continues unabated as the front-running St. Louis Cardinals and runner-up Brooklyn Dodgers both won, the Cards shellacking the Chicago Cubs in a night game at St. Louis, 10-1, and the Braves in Boston, 1-0. The Cards retained their two-game bulge over the Dodgers, with 22 games remaining on each team's schedule.

Jim Bagby moved the Boston Red Sox to within four games of clinching the American League pennant, scattering nine hits to defeat the Senators 1-0 in Washington at night.

The Yankees protected their two-game margin over the Tigers by defeating the Athletics in Philadelphia, 6-2.

# They'll keep singing its praises for years

Every so often it happens.

A car comes along that rings so many bells on so many counts that folks remember it fondly and talk about it for years thereafter.

You're looking at one of those "vintage-year" Buicks now.

Right from the start, it clicked with the stand-out, hint-of-the-future freshness of its styling.

It brought wide, appreciative grins with the smooth way its Fireball straight-eight engine delivers its eager surge of power.

It registered with the steady stride of two lively tons of roadweight, cradled on tireless coil springs all around that turn the roughest road into a pleasure cruise.

Then as people began to discover the blissfully easy way this dream boat handles—as the miles piled up and owners found their cars getting actually better—word started to go round: "That '46 Buick—there's an automobile!"

They'll be saying

that for many a long year.

And while we're doing everything in our power to get you yours soon-as-possible, you'll find that when you get it is a secondary matter.

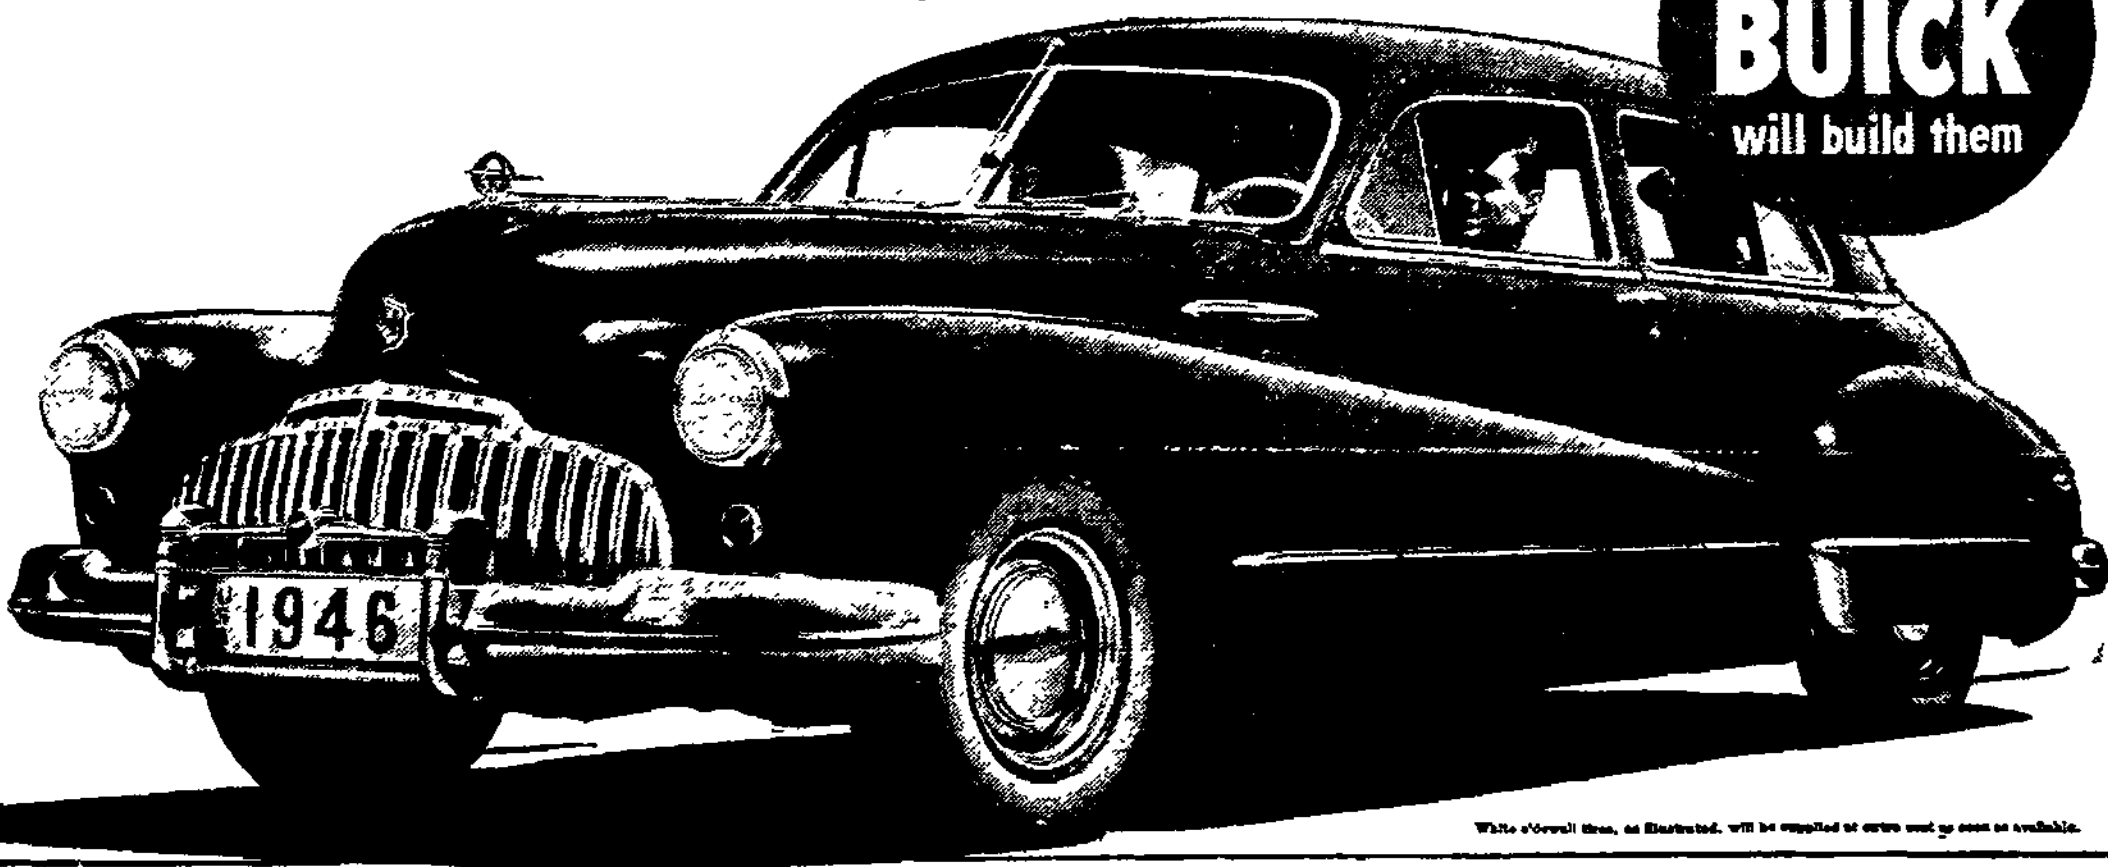

For the man who gets a '46 Buick has really got something—something certain to be a high spot in his car-owning history.

## Ridgway Writer Is Club Speaker

The Young Mothers' Study Club will begin its 1946-47 season with the September meeting, to be held at the home of Mrs. John Stewart at Akeley at 8:30 p. m. Monday, September 9.

The club is to be entertained with the appearance of a famous writer in the person of Eunice Mildred McCloskey, of Ridgway. Mrs. McCloskey is well known in the literary world, and has had several poems and articles published in popular national magazines. In addition to three books, "Coal Dust and Crystals," "Strange Alchemy," and "The Heart Knows This," Mrs. McCloskey is also a member of the Pittsburgh Association of Artists, where she has exhibited her etchings and water colors.

The new officers of the club, elected at the June meeting, will take over their duties at this meeting.

## Church Notes

Because of Erie Conference sessions under way, there will be no services on Sunday in Grace Methodist church.

"Christian Fruit Bearing" is the theme selected by Rev. J. C. Wygant for his Sunday morning sermon in First Evangelical church.

Rev. Nore G. Gustafson, pastor of St. Paul's Lutheran church, extends a cordial invitation to all interested to attend the Swedish vesper service planned at 4:30 o'clock Sunday afternoon.

Trinity Memorial church school will have its first fall session at 9:45 a. m. Sunday. A moving picture will be shown and pupils will be registered for regular classes which will begin Sunday, September 15. It is desired that all boys and girls of the church be present promptly at the above hour.

At the 11 a. m. Sunday service in First United Brethren church, Pastor R. H. Eggleston will use for his topic "The Secret Seed," and Mr. and Mrs. John Leckliter will sing. Church school convenes at ten o'clock, Christian Endeavor Society meetings are at 8:30 p. m., and evening evangelistic service at 7:30.

Regular services are being resumed at the Christian and Missionary Alliance tabernacle, 705 Conewango avenue. Sunday afternoon at 3:00, Rev. Anderson will speak on the subject "The Grace of God." At 7:45 p. m. the message will be "Dividing Line." A friendly welcome is extended to all who wish to attend these services.

Parish meetings announced by Rev. Earl W. Carlson for next week are as follows: Saron—Monday, 7:30 p. m., Sunday school teachers at the church; Tuesday, 8 p. m., Senior Luther League will meet at the church, a change from the regular date, Chandler's Valley—Friday, 8:30 p. m., Luther League at the Bennett Danielson home. Dr. H. H. Rindard is supply pastor in these and the Freehold Lutheran churches.

Russell Johnson will be speaking at both the 11 a. m. and 7:30 p. m. services at Bethlehem Covenant church, Market street near Third avenue, on Sunday. Also announced is a missionary conference to be held on the following evenings: September 12, Miss Esther Nordlund, of China; September 13, Miss Gladys Rindard, of the Virginia Mountain Mission; and Sunday evening, September 15, Paul Backlund of China. The public is cordially invited.

Rev. Harold C. Warren will return to the pulpit of First Presbyterian church this Sunday morning after vacationing during the month of August at West Yarmouth, Mass. Jackson Barrell will play Cesar Franck's "Pastorale" for the prelude, "Be Calm and Peaceful" by Bach for the anthem; and, for the offertory, "The Lord Is My Light" by Dudley Buck, to be sung by Mr. and Mrs. Everett Borg. Sunday school will convene at 9:45 a. m. after a vacation of three weeks.

"A Serious Blunder" will be Rev. Milton G. Perry's sermon topic at 11 a. m. Sunday in First Baptist church. There will be special music by the choir, led by Viola Lindmark, and Loren Wright will be at the organ. Sunday school is at 9:45 a. m., Supt. Earl Burbee presiding and classes and department meetings for all members of the family. The Young People's Fellowship will hold its first fall meeting at 6:30 p. m. Prayer service will be held at 7:30 p. m. Wednesday, when the message will be brought by Dr. Frank Lovett, of Parkersburg, W. Va.

Rev. Hans Pearson announces these events for his Sheffield and Ludlow Lutheran parishes: Bethany—Monday, 7:30 p. m., board of administration; Tuesday, 8 p. m., Brotherhood at the church; Friday, 8 p. m., Sunday school teachers at the church. Junior Missionary meeting will be held on September 21. On Sunday, September 15, teachers of this and Moriah church school will attend the district teachers convention at 3:30 p. m. at Youngsville. Moriah—Sunday, 4 p. m., Swedish service; Wednesday, 2:30 p. m., Martha Society at the church, and 7:30 p. m., choir rehearsal; Thursday, 7 p. m., board of administration, and 8 p. m., Brotherhood.

Chances against having an accident in your own home are only 4200 to one.

New...  
FLY CONTROL  
PLAN

For two years, scientists at the Purina Research Farm have experimented with DDT, the new "miracle killer." They have developed two new Purina DDT Fly Sprays that make fly control in barns and on cows CHEAPER, EASIER and MORE EFFECTIVE than ever before.

There's a tremendous demand for the new Purina DDT Fly Sprays. Be sure to get yours early.

Corn Hybrids  
On Extension  
Plots On View

Warren county farmers interested in observing some of the more common commercial corn hybrids and some promising new ones, growing side by side, have an opportunity to make comparisons by visiting extension demonstrations planned co-operatively by farmers and the Agricultural Extension Service, says County Agent O. C. Tritt. Each year these demonstrations are planted to show what hybrids are best adapted to local conditions in length of season, growth characteristics, and productivity. This year there is a hybrid demonstration on the Rouse Hospital farm, Youngsville, and the Robert Scott farm, Lottsville. After the corn is husked yield results will be announced, but meanwhile, farmers may want to make comparisons before the growing season ends.

Mr. Tritt advises farmers: "Know what hybrid you want for next year, and order it in ample time rather than accept one later with which you may not be acquainted." (The farmer where the demonstration is located should have a chart of it, or the hybrids in the most conveniently located replica may be tagged or labeled for the visitors.)

Difference in maturity, height, and strength of stalk can be observed readily at this time. (In the more northern counties the most important thing is to select a hybrid which will ripen safely in almost any season.)

Maine had a total of 127,000 milch cows on its farms during 1944.

## Area Business For July Made New Record For Month

State College, Sept. 6.—General business in leading areas of Pennsylvania jumped 7 per cent from June to July, the monthly business survey of the Pennsylvania State College revealed today. It was the best for any month since March, 1945.

New records for the month were made by bank deposits, life insurance sale, postal receipts, bituminous coal and telephones. Anthracite coal production was the best since 1943 and building operations were the highest in any recent year. Motor vehicle sales were the highest for the month since 1941. Average hourly earnings continued to rise in July and stood at \$1.14.

Although department store sales showed a slight decline from June, sales in July continued to run far ahead of 1945. It was a new high for July, 27 per cent above those for the same month a year ago. Stocks continued to be high with better merchandise coming back. Manufacturers' inventories have been restored to the levels of a year ago, and retailers are watching their goods more carefully for items which do not promise to sell well, the survey indicated.

General business in the Oil City-Bradford-Warren area during July made a new record for the month. Based on bank deposits, factory payrolls and industrial power sales and using 1935-1939 as 100, the index of general business stood at 200, a gain of 1% over a year ago. From June to July general business increased 2% after seasonal adjustment. Telephones in Warren made a new record for the month, and building operations were the highest in any recent year. Postal receipts were the highest since 1941. Industrial power sales were the lowest since 1941. In the 5-county area, employee hours and factory employment were the lowest since 1941 and factory payrolls since 1942. From June to July only industrial power sales did not rise after adjustments.

## Canning Plan Proving Worth In Cupboards

N. E. Dodd, chairman of the Warren County Famline Emergency Committee, pointed out today that although America may well rejoice in the reports of indicated record-breaking wheat and corn crops, there may still be a 10 million-ton grain gap during the next 12 months between the amount needed in the hungry lands for bare subsistence, and the amount of all possible imports. "Our job is not yet over," Mr. Dodd said. "The world food situation will continue to be acute at least until October when Northern Hemisphere harvests will be in, and it will remain serious until after the 1947 crops are harvested," he said, citing reports from the President's Famline Emergency Committee in Washington, and the United Nations Food and Agricultural Organization.

"According to these reports," he continued, "there will still be a deficit of 10 million tons of cereals in famished areas during the coming year. Our job is to narrow that gap as much as we can. It would be particularly tragic to 'after we have saved so many lives by our personal food-saving measures. We must continue to waste no food; eat the plentiful foods; conserve as much as possible; and preserve as much as possible in the home and in the community food preservation centers," Mr. Dodd emphasized.

He reported that more and more Warren County housewives—especially those with limited space and equipment at home—are finding the community canning center a convenient time- and labor-saving way in which they may can foods from gardens and orchards.

The Community preservation center in Warren county is located at: 5th Ward Voting House, Conewango Avenue (foot of Jackson Avenue, Warren).

Southern Arkansas has a reserve of 400,000,000 barrels of petroleum, according to estimates.

will press for dismissal of the Ukrainian charges on the contention that they amount to no more than propaganda spread over the world from the hearings of the council.

British Delegate Sir Alexander Cadogan said Ukrainian Foreign Minister Dmitri Manuilsky had failed entirely to make a case.

Cadogan followed Greek Ambassador Vassili Dondramis, who presented a 30-page counter-charge against the indictment offered by Manuilsky.

The Albanian representative, Col. Tuk Jakova, whose country was excluded from membership in the United Nations last week, asked for a seat at the council table yesterday and the opportunity to present his case.

Bobby Feller Loses Six Out of Last Eight Starts

with three runs in the bottom half of the seventh, the Chicago White Sox defeated the visiting St. Louis Browns 4-3 in 11 innings.

Jack Graham's second home run of the day, with two men aboard in the ninth inning, gave the New York Giants a 6-1 victory over the Philadelphia Phillies at the Polo Grounds.

Held scoreless for eight innings, the Pittsburgh Pirates got to Johnny Vander Meer for three hits and two runs to defeat the Reds 2-1 in Cincinnati.

Country's Busiest Harbor Completely Paralyzed By Walkout of Sailors' Union

vent spoilage of thousands of tons of perishable food."

In telegrams to heads of the two maritime unions involved in the strike, Vice Admiral W. V. Smith, chairman of the commission, said:

"In view of the world-wide shortage of food, we request your union to give immediate assurance that provisions will be made for such operation as may be necessary to protect valuable refrigerated food stuffs which would have to be replaced from civilian stores already critically short."

The Pacific American Shipowners' Association sent a telegram to President Truman, calling upon him for action.

J. B. Bryan, president of the Pacific American Shipowners Association, declared that a few days of the strike would result in a "major disaster" for the shipping industry.

Other shipping owners said imports of scarce items such as sugar and bananas would end. They predicted the strike would have far-reaching effects on American industry by choking off raw material imports and the export of finished products.

One of the first results of the strike of members of the Sailors' Union of the Pacific and the Seafarers International Union was the closing of coastal ports in an effort to prevent congestion and spoilage of perishables.

Three passenger ships in New York harbor cancelled sailings, leaving nearly 2,000 travelers stranded.

About 3,500 seamen in New York adopted unanimously a resolution demanding that the WSB "unconditionally reverse its anti-union decision nullifying the seamen's wage increases obtained by negotiation."

Washington President Truman declared the strike was in the hands of Secretary of Labor Lewis B. Schwellenbach, who dispatched an assistant, Phillip Hannah, to San Francisco to make a personal plea to Harry Lundeberg, president of the SUP to call off the strike.

"Should Hannah fail in his mission, Schwellenbach said he would urge Lundeberg to go to Washington for a conference—possibly with President Truman.

Lundeberg said he had turned down a telephoned plea from Hannah that the SUP affect a truce in the walkout.

OPA Guards Meat Cache in Philadelphia

(From Page One)

yesterday, the spokesman said "at least 15 other cold storage places in operation here have equally large stocks on hand."

"There is more meat in Philadelphia than meets the eye," he added. "The shelves of retail dealers and wholesalers are empty, but hundreds of thousands of pounds are stored in cold storage lockers."

Most of this meat, the spokesman said, was purchased when price ceilings were not in effect.

None of the owners of the meat—which included beef, ham and other pork cuts—were identified. Meanwhile, 180 members of the Eastern Pennsylvania Slaughterers Association were shut down because of lack of livestock. The Association said it expects the rest of its 497 members in nine southeastern Pennsylvania counties to shut down early next week until more livestock is made available to slaughterers by producers who have been refusing to sell at present ceiling prices.

Establishment of German Centralized Government Is Urged By Byrnes In Speech

(From Page One)

Prussia and Polish requests for revision of her northern and western frontiers.

He asserted, however, that Silesia and other eastern German areas had been allotted to Poland before the Potsdam meeting "for administrative purposes" only, and that Britain, Russia and the United States did not agree "to support at the peace settlement the cession of any particular area."

This gave the Germans some ground for hope they might not lose all of their eastern lands to Poland. Some German political leaders have been openly opposing such actions in recent speeches.

Byrnes said France had a right to the Saar, but he opposed the French plan for internationalizing the Ruhr and the Rhineland.

The secretary was especially critical of the Allied Control Council because of its failure to achieve economic unification of Germany in accordance with the Potsdam agreement.

He noted that of the other three occupying powers, only the British had accepted an American proposal for merging economically the various occupation zones in Germany.

Byrnes said "millions of German people should not be forced to live in doubt as to their fate."

Byrnes said security forces probably would have to remain in Germany for a long period, but that the American government "does not believe that large armies of alien soldiers and of alien bureaucrats however well motivated and disciplined, are in the long run the most reliable guardians of another country's democracy."

He added, however, that the United States would continue to support measures necessary to demilitarize Germany.
